

BEHIND THE ICON

THE GIVER

The second South African icon in the 21 Icons series is Dr Imtiaz Sooliman, the founder of South African humanitarian aid organisation Gift of the Givers.

During a portrait sitting, Sooliman talks to film maker Adrian Steirn about his work in the world's disaster zones; his view that, regardless of race, religion or geography, humankind is one nation; and the notion that South Africa may be one of the only countries in the world to have embraced this fact
