OCT 29, 2015 / 1 NOTE ([HTTP://AFROBOUGEE.TUMBLR.COM/POST/132167041794/STANDING-TALL-AT-193M-LUDWICK-MARISHANE-LOOKS](http://afrobougee.tumblr.com/post/132167041794/standing-tall-at-193m-ludwick-marishane-looks))

Standing tall at 1,93m, Ludwick Marishane looks like he could've been a basketball player. Trudging through the mud in a kraal just outside of Cape Town's Langa Township, those long legs come in handy when scaling a fence to take his place in front of the camera. Clambering into an empty bathtub, the suit-clad entrepreneur becomes a literal representation of the invention that has made him famous.

Ludwick created Dry Bath. A non-water based bath substitute lotion, it stands as a solution to the global water crisis, as well as the health issues that arise from poor sanitation. It's simplicity and innovation have demanded global attention. Highlighted by TIME Magazine as one of 30 young people who are changing the world, it's young creator has also been noted by Google as one of the brightest young minds in the world; all this before the age of 25. - Discover More - <http://afrobougee.com/ludwick-marishane.html> (<http://afrobougee.com/ludwick-marishane.html>)
