Caster Semenya: 21 Icons Portait

In this 21 Icons Series III portrait, world champion runner Caster Semenya strikes a triumphant pose.

21 Icons Series III photographer Gary van Wyk describes the visual elements: "Set against a black backdrop, Caster is photographed with her arms outstretched, knees bent and face towards the sky. Dressed in all black, her posture is a reimagining of her beating the odds and crossing the finish line. The resulting image is one that imagines her in her element - triumphant and dignified."
